

EXECUTIVE SUMMARY

TIP Amendments

Objective: To have the Policy Committee approve the attached TIP Amendments.

Considerations: Proposed amendments relative to the 2017-2021 Transportation Improvement Program (TIP) include the following:

Deletion of project

PIN 380739 (Regional Large Culvert Project). Total cost \$660,000. Sponsor New York State Department of Transportation (NYSDOT). Project sponsor requests removal of project from SMTC's program due to schedule concern with Rt. 370/Onondaga Lark Parkway location.

Addition of projects

PIN 360383 (VPP/Mill Rt 91, N of Coleman Hill Rd to Rt 173). Total cost \$650,000. Sponsor NYSDOT. Project sponsor requests addition of project to finish addressing the Rt 91 corridor. Offset provided by funds from outside the SMTC planning area.

PIN 380722 (Regional Large Culvert Project). Total cost \$660,000. Sponsor NYSDOT. Project sponsor requests addition of project to program to address Rt. 370 location and other large culverts outside the MPA.

Further discussion will occur at the meeting.

Staff Recommendations: The Planning Committee recommended the Policy Committee approve the Amendments at their meeting.
