

EXECUTIVE SUMMARY

PERFORMANCE MANAGEMENT AGREEMENT

Objective: To have the Planning Committee recommend that the Policy Committee approve the attached agreement.

Considerations: MPOs, States, and providers of public transportation are required by federal law to cooperatively determine their mutual responsibilities in carrying out the transportation performance-based planning and programming requirements. "The MPO(s), State(s), and providers of public transportation shall jointly agree upon and develop specific written procedures for cooperatively developing and sharing information related to transportation performance data, the selection of performance targets, the reporting of performance targets, the reporting of performance to be used in tracking progress toward achievement of critical outcomes for the region of the MPO, and the collection of data for the State asset management plan for the National Highway System (NHS) [23 CFR 450.314(h)(1)]."

The attached agreement specifies the necessary written procedures between the SMTC, NYSDOT, and Centro.

Staff Recommendations: That the Planning Committee recommend that the Policy Committee approve the attached Performance Management Agreement at their June 12 meeting.
