

EXECUTIVE SUMMARY

2019-2020 Unified Planning Work Program

Objective: To have the Policy Committee adopt the 2019-2020 Unified Planning Work Program (UPWP).

Considerations: The SMTC staff has developed the 2019-2020 UPWP.

A letter was sent to member agencies on October 4, 2018, stating that due to the large number of projects being carried over from the 2018-2019 program year, no new call letter was being issued. However, staff would be able to accommodate a small number of new proposals for the new UPWP. Staff received three requests from Member Agencies. A draft of the 2019-2020 UPWP was created programming 100% of our allocation, using carry over funds from the 2018-2019 program year.

Staff will outline its approach to funding and programming for the 2019-2020 UPWP in light of funding needs and allocation limitations. To fully accomplish the program as envisioned, the NYSDOT is assisting with additional SPR funding for continued I-81 modeling.

Staff will also provide an overview of the existing 2018-2019 program year as well as further details on the proposed 2019-2020 UPWP at the meeting.

Staff Recommendations: On November 27, 2018, the Planning Committee recommended that the Policy Committee adopt the 2019-2020 UPWP.
