

Major Projects from the 2017-2021 TIP (FFY 2016-2017)

As required by 23 CFR Part 450.326(n)(2), the following table highlights the major projects that were implemented or delayed from the 2017-2021 TIP. The listing below is specific solely to the first year of the 2017-2021 TIP (i.e., 2016-2017 Federal Fiscal Year (FFY) which covers October 1, 2016 through September 30, 2017).

The SMTC has defined a major project as any TIP project with an overall total construction cost (i.e., federal funds + match) of \$3 million or more.

PIN	Sponsor	Project	Construction Cost in FFY 16/17 (\$M)	Status
350641	NYS DOT	I690 Bridge over Beech and Teall	\$74.000	Implemented
