

You're Invited: OPEN HOUSE

Villages of Minoa, Fayetteville & Manlius

Bicycle & Pedestrian Connections Study

WHAT IS THIS PROJECT ABOUT?

This study will build on recent planning studies to **evaluate and make recommendations to improve the bicycle and pedestrian network, multi-modal connections, and access between the three villages** as well as to neighboring **parks and trails**.

MEETING PURPOSE

- To learn more about the project
- Hear project survey results
- Offer comments on biking and walking within the study area
- Brainstorm potential improvements

MEETING FORMAT

- Brief presentation at 6:15pm
- Drop-in meeting with interactive stations 6:00 pm - 8:00 pm

SYRACUSE METROPOLITAN TRANSPORTATION COUNCIL (SMTC)

- SMTC and the study's consultant, Creighton Manning, are undertaking this process with: Villages of Minoa, Fayetteville, and Manlius; Town of Manlius; Centro; New York State Department of Transportation; Onondaga County Departments of Planning and Transportation.
- Transportation Planners will assess & document ideas.
