

**Opportunities**

- Consider adding formalized parking from Tompkins St to Syracuse St
- Either add a sidewalk to the north side of Fayette from RR bridge to Tompkins St, or add a crosswalk to the south side at Magnolia St
- Improve sidewalk conditions on south side of Fayette from Magnolia St to S Wilbur Ave
- Improve sidewalk and pedestrian experience under old RR bridge
- Add pedestrian/cyclist shared-use trail parallel to active rail line (requires further analysis)
- Add sidewalk or shared-use path from Geddes St to West St
- Improve existing crossing at Seneca St (consider RRFB at this location)
- Consider stop sign on Fayette at Seneca St (requires further analysis)

**Issues**

- 1 - Parking regulations along Fayette are not clear
- Appears to be illegal parking here
- 2 - Sidewalk on south side is not ADA compliant
- 3 - No sidewalks on north side from RR bridge west to Tompkins St
- 4 - Sidewalks under old RR bridge need repair
- 5 - Missing ADA ramps on north side of Fayette
- 6 - No sidewalks on north side of Fayette from Geddes St to West St

**DRAFT**

**Legend**

- Potential multi-use trail
- Pavement width: curb face to curb face
- Bridge
- Centro bus stop
- Pedestrian facilities exist at all approaches and corners
- Issues exist with orientation of curb cuts, and/or some pedestrian facilities are missing/inadequate
- No pedestrian facilities exist
- Signalized intersection

**Sidewalk Compliance Ratings\***

- 0 - No Sidewalk
- 25 - Poor Compliance
- 50 - Moderate Compliance
- 75 - Very Good Compliance
- 100 - Perfect Compliance
